GUILDERLAND SR. H. S.

oh Guilderland dear Guilderland
beneath the stately Helderburgs
we're here to sing our praise
to thee and ever loyal we
shall be. We raise our voice
in song and know that our
victorious team will grow.
In spirit strong and all
the rest our Alma Mater
is the best.

# Photographs and memories

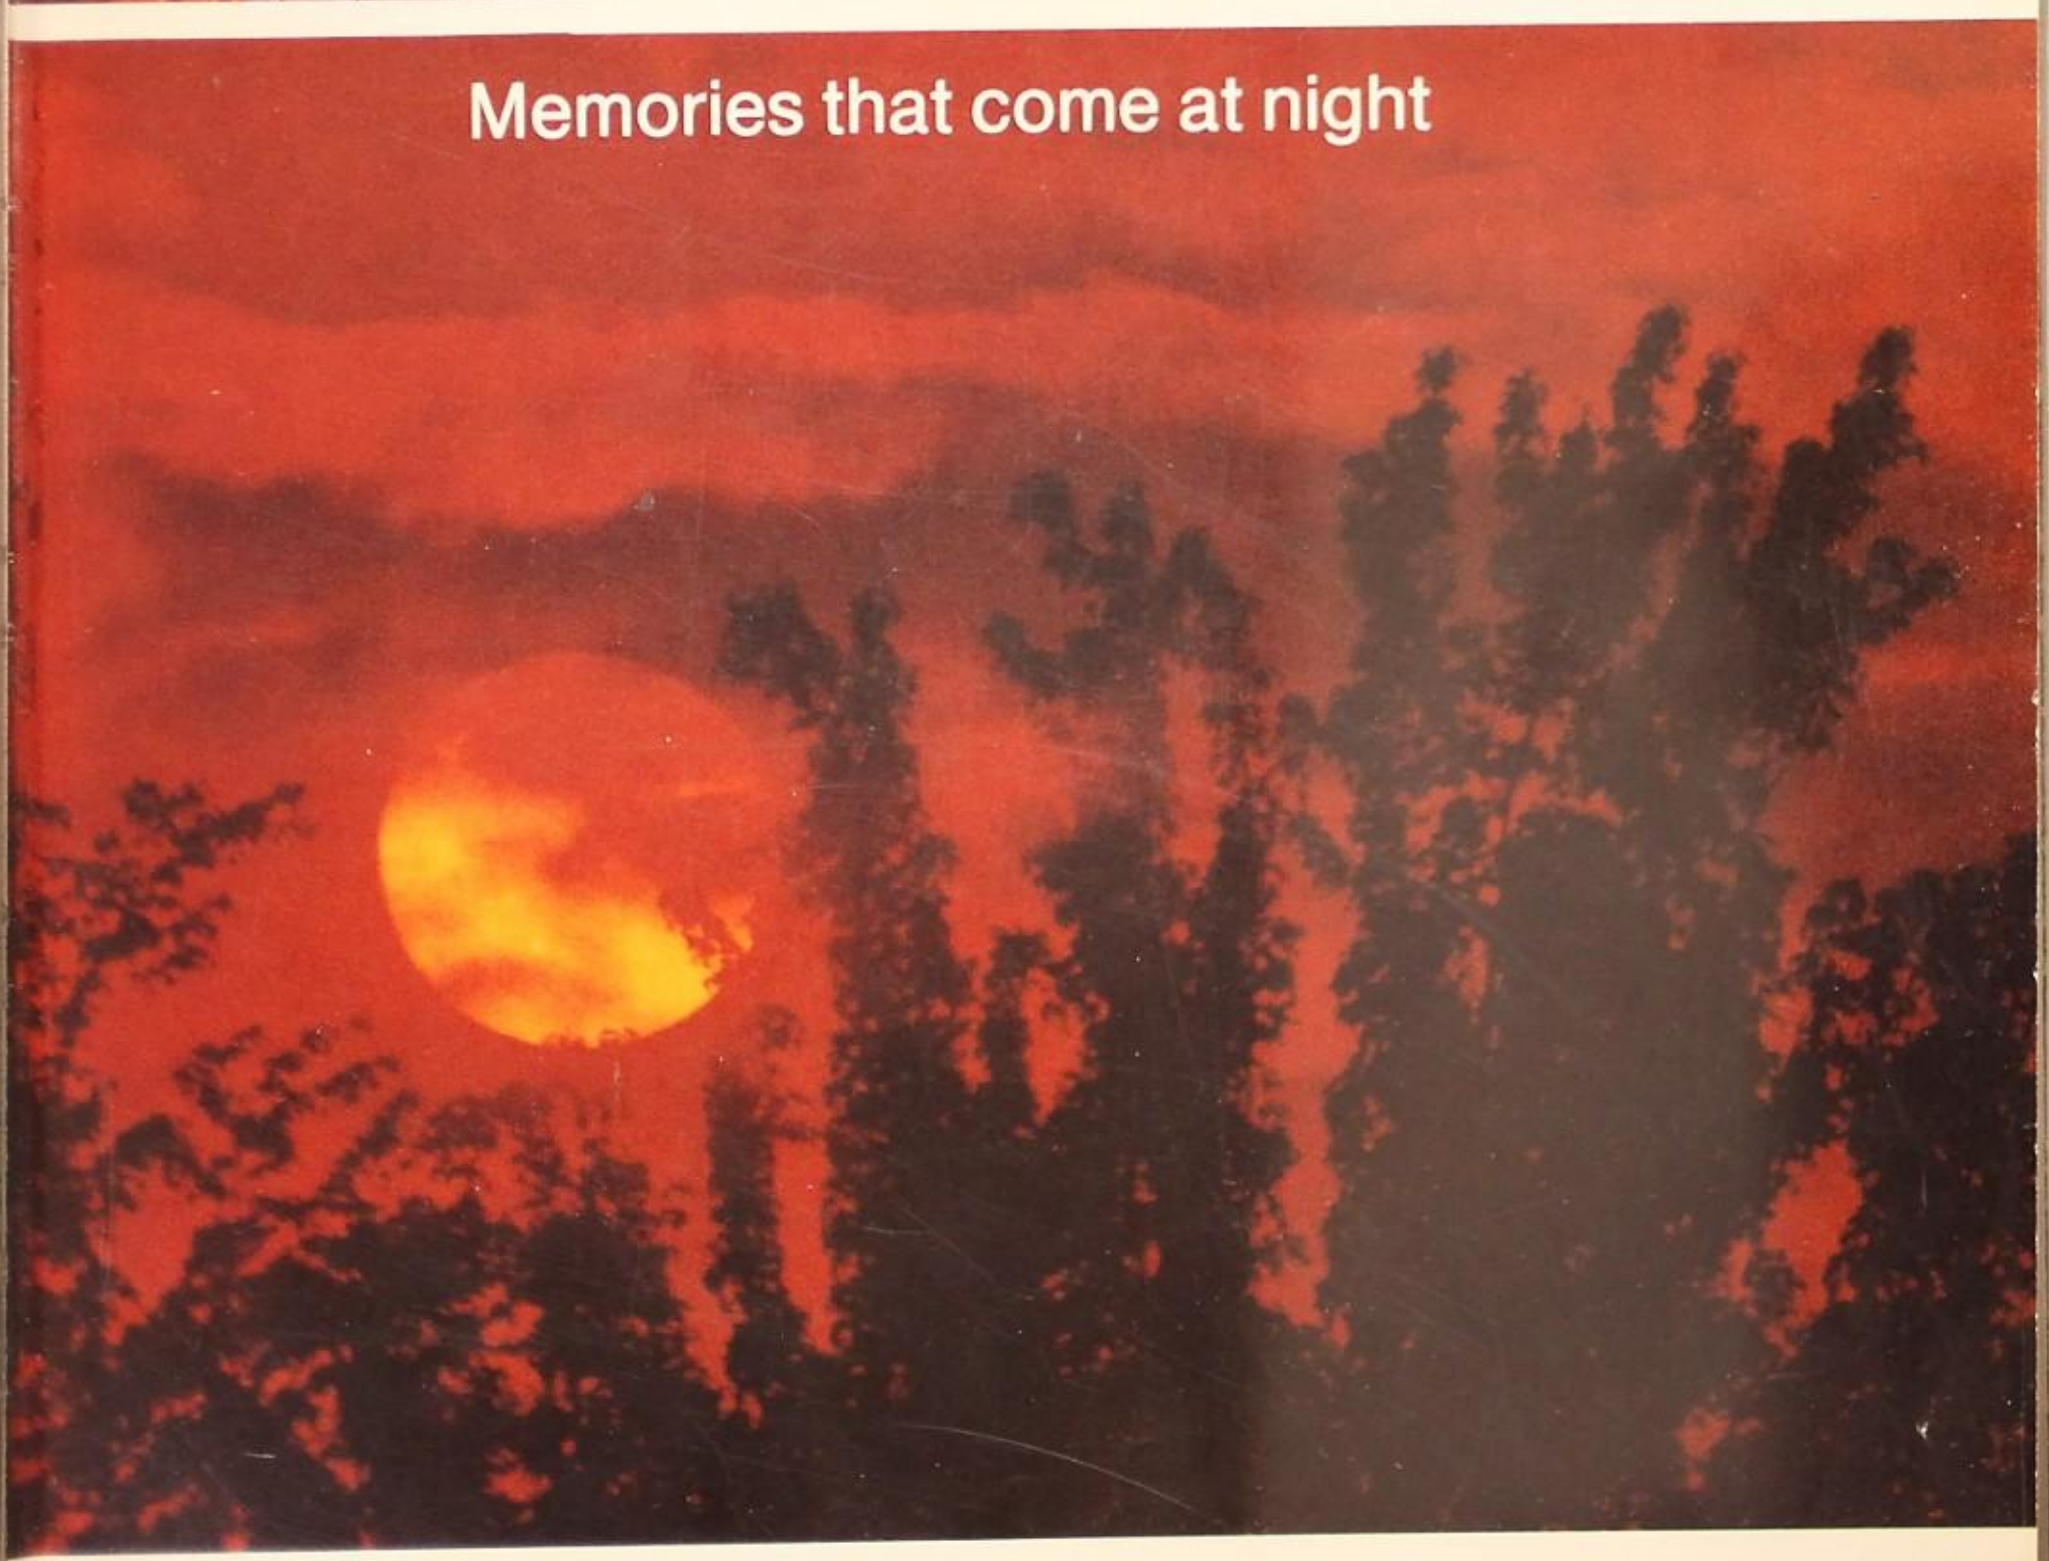
D GIRLS #

Christmas
cards you
sent to me

All I have are these

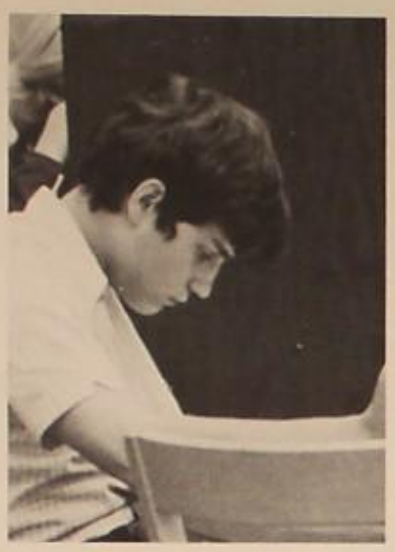
To remember you.

## Memories that come at night



Take me to another time, back to a happier day

When I called you mine.



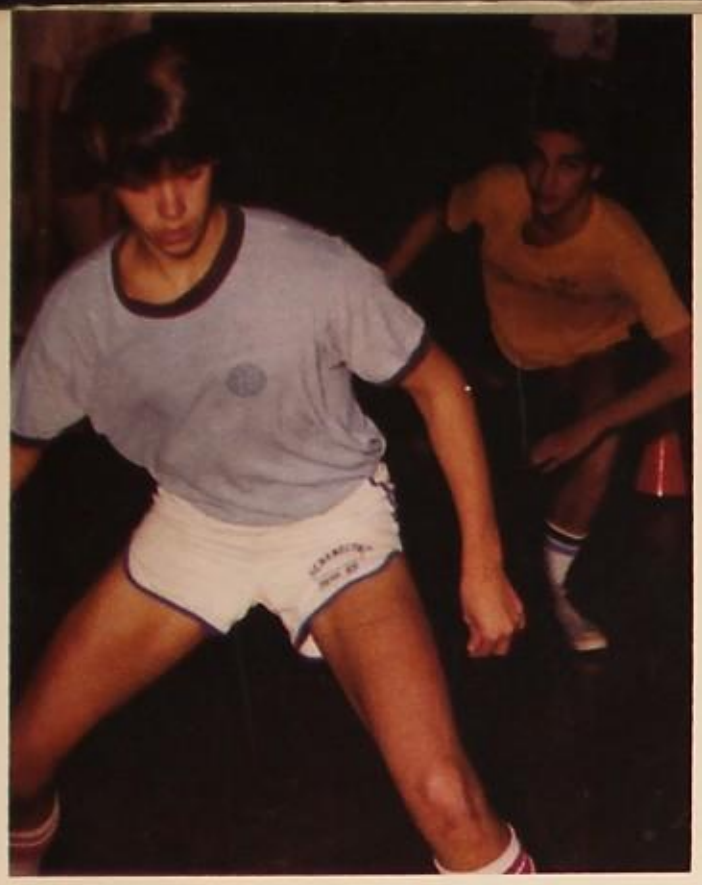
But we still had a good time

when we started way back when.

M ing walks and b droom talks

Oh
how I
loved you
then

Summer skies
and
lullabies,

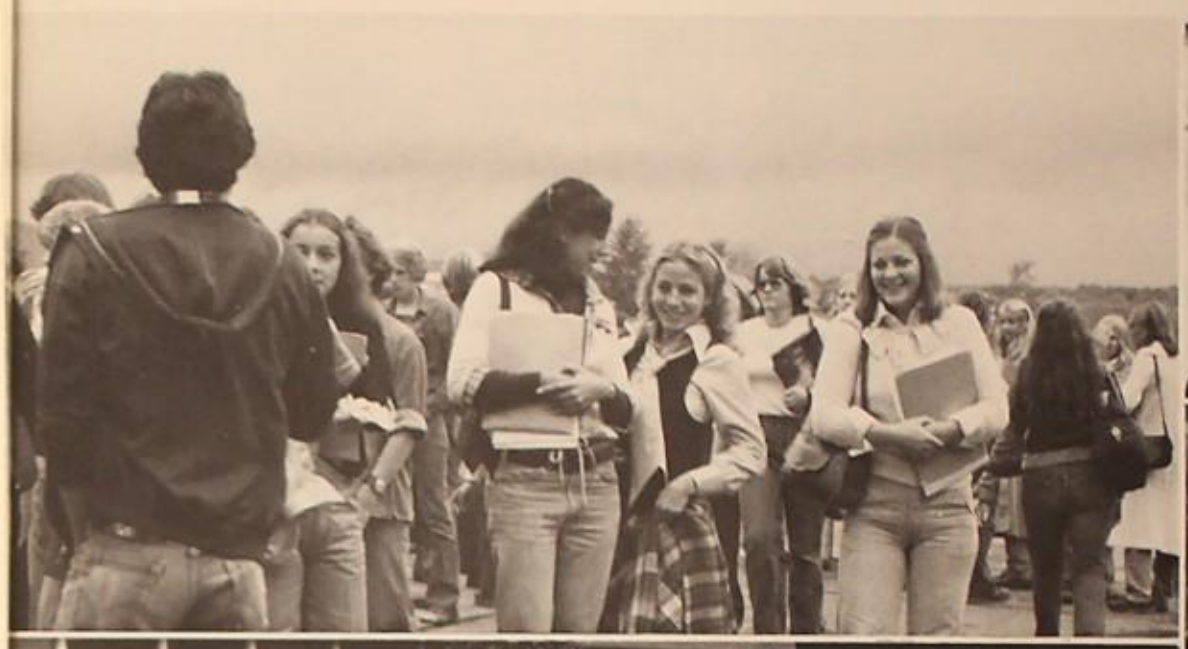


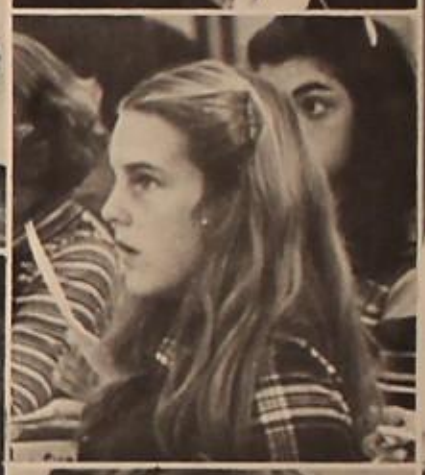
nights we couldn't say
goodby

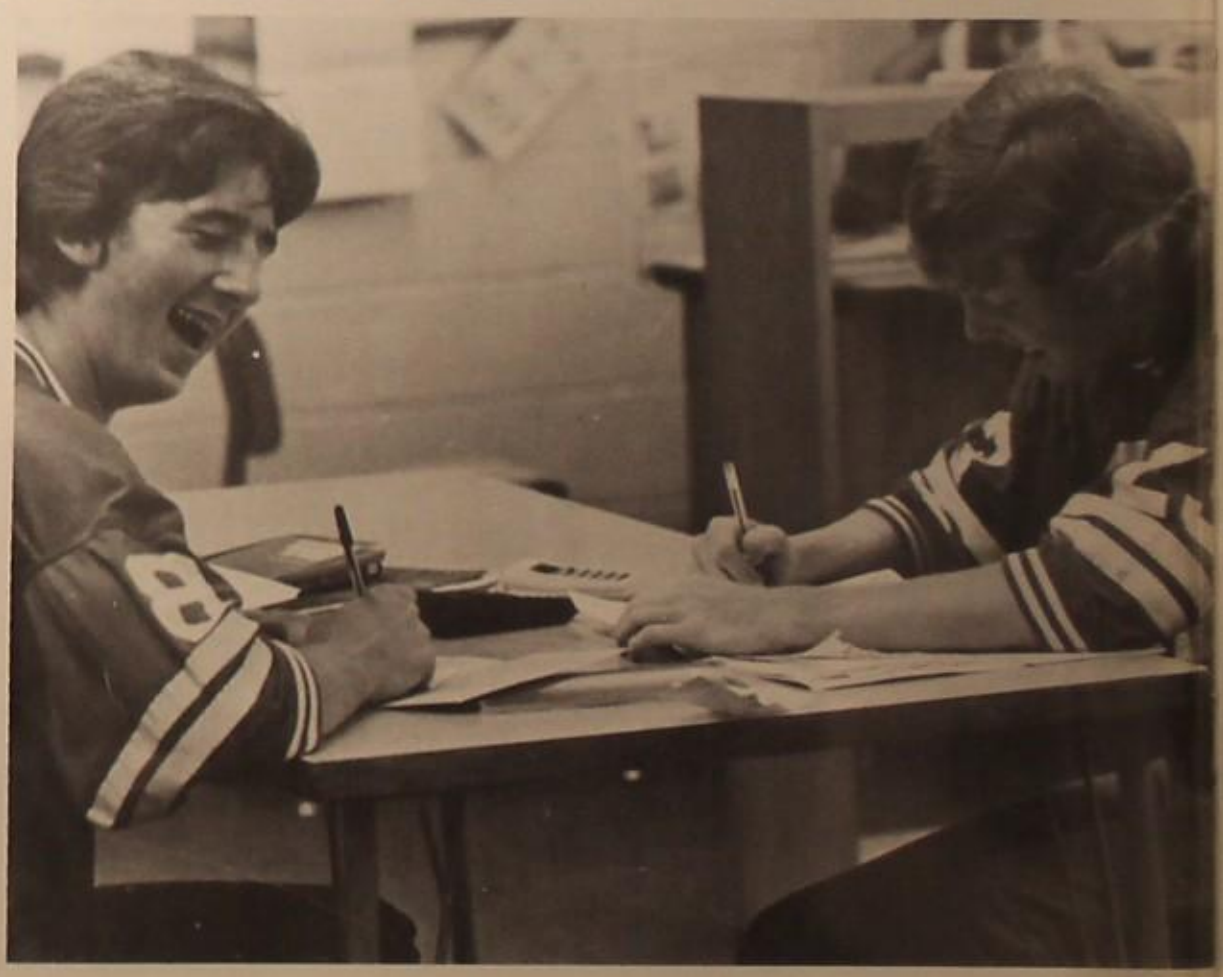
and of all those things that we knew,

not a dream survived.

# Photographs and memories,

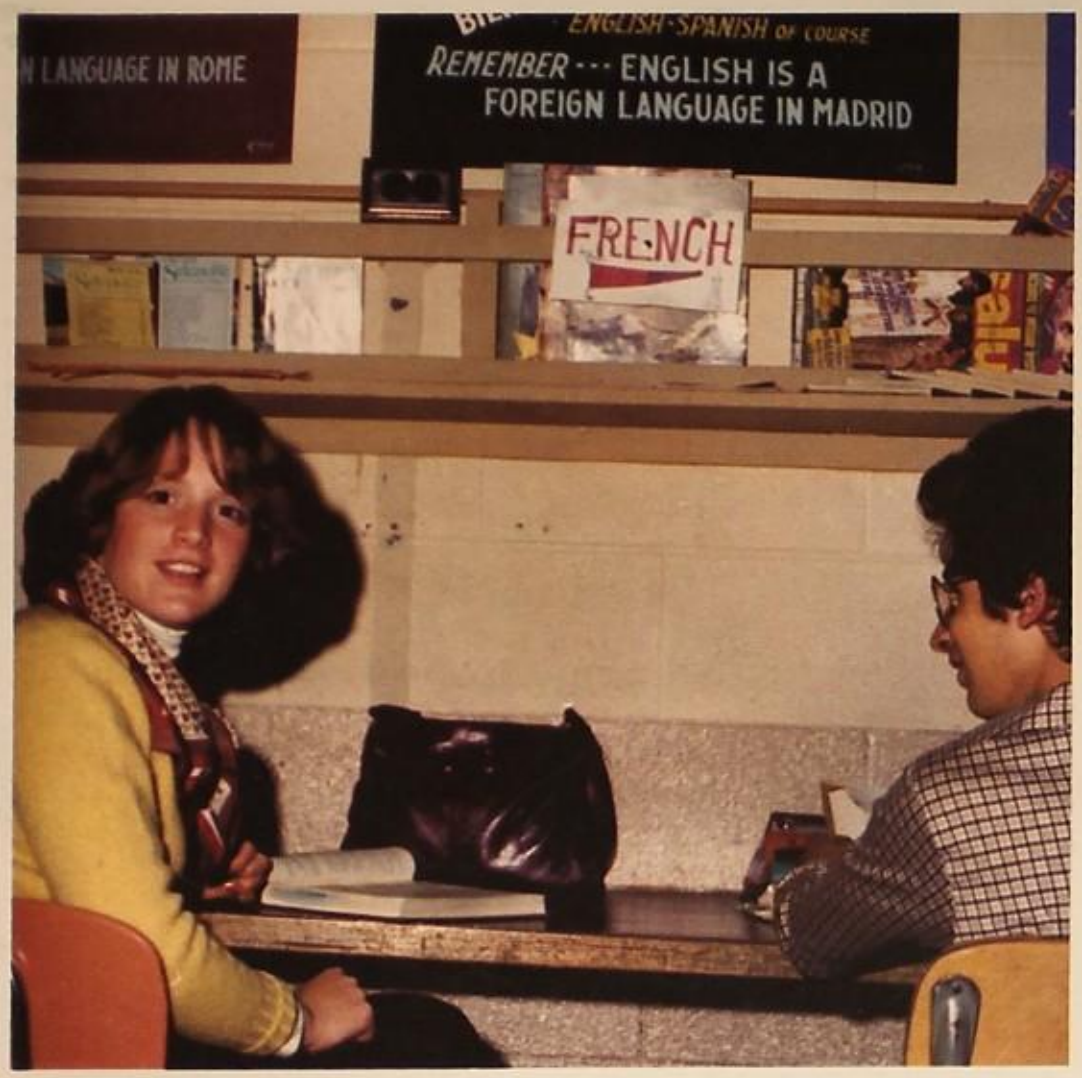






All the love you gave to me

# Somehow it just can't be true,



That's all I've left of you.

Together, we the class of '79 have come to the end of a very important part of our lives. Together we have grown and have encountered many experiences which will live in the hearts and minds of most of us forever. At the close of this year our memories never fade.

Memories of our freshman greaser dance and class trip to Riverside, which now are just moments to look back upon, are what started us off on our four years of school.

The activities of our Sophomore year include a candy bar sale, the Sophomore Semi-Formal and class trip.

Our Junior year included two fundraising candy sales, the Tamarac concert after one of the football games, Powderpuff Football, and a benefit concert held in the auditorium. In this year the class of '79 broke Guilderland's tradition and held the Junior Prom in May, outside of school at the Sheraton Inn in Colonie.

Our Senior year was undoubtedly the best. In the fall, we strengthened our treasury with both an M&M sale and a magazine sale. Seniors also participated in Powderpuff Football and a T-shirt sale in the fall. The Senior Tree Trimming Party and Christmas Window Decorating Contest were revived this year. Other activities included a ski trip and a Senior-Parent Dinner. The highlight of the year was the Senior Ball, which was held at the Empire State Plaza on June 9. The climax of our stay came on our Graduation day — a day filled with as many tears as smiles.

The G.C.H.S. class of '79 will now break apart, the times we shared will live forever, in photographs and memories.

Chris Donahue
Class President
1978-1979

"As advisors to the class of 1979, we have had many rewarding experiences; and it is our pleasure to share with you all the fond memories of the past four years. We wish each of you a very happy and healthy future!"

# In Memory

This page is dedicated to Brian Vetro and the memories we all share of him. To all the people who knew Brian and experienced many good times with him, you should always remember those good times, for some of his reflections are still inside us.

Bruce and Jeff

Brian Vetro, a true member of the class of 79, died last year. He is missed very much by his family and friends. They all loved Brian and they will always cherish the times they spent with him.

Things have changed since you've been gone.
The winds have blown hard and cold.
The rains have worn away the hills.
The clouds have turned many of our skies grey.
And now we've started to grow,
Feeling the pains of life.
We see that things don't always come our way.
That's when we think back
To the times we talked and laughed.
The times we cried.
We must choose right from wrong,
And we must try to keep going on.
As we go on we remember.
And we feel the sun start to shine.
And we only wish you could be here,
To share our lives with you.
To bring a smile to your face.
And warmth to your heart.
And even though things have changed.
One thing will always remain.
Take Me Back.

Michael Ortale

*Principal's Message*

This year we dedicated a rock at the entrance to the athletic fields to a fine young man who is no longer among us. In reality the Memorial Rock is dedicated to all fine young men and women and staff who have gone through our schools.

This rock is a reminder to each of us of what life is and what each of us as individuals can do during our lifetimes.

Use yours to make your small part of the world a better place — a place where children can grow up without poverty and deprivation, where people can live side by side without hate and fear.

Live your life so that you can become a living memorial.

# Focus

The Focus Clan

Focus is a newly established program aimed at giving more personal attention to students who are turned off by school. The program is set up to allow students to get enough credits to graduate with their class.

This year there were forty sophomores in the program. The teachers hope to expand the program to sixty students next year, half sophomores and half juniors. Generally, the students spend the first three hours of their day in math, social studies, and English class and group meetings referred to as family.

The main emphasis of Focus is providing for individual needs, both academically and socially.

Guilderland's Barbershop Quartet

And it goes something like this . . .

Tenth and eleventh grade students have a choice between regular English and history classes. They may take Hislish as a substitute.

Hislish involves much work, but it is meant to prepare the students for their future in college.

This year the students have completed major research papers, had heated debates, and held trials, jury and all.

# SAE

SAE, now known as Community School, had 31 students in the program this year. They had many activities for the year; Winter Arts, crafts, music festival, this drew over 650 people; they went to the Adironwack Museum, New York & Boston, Mass., Robinson Square, & Ice Skating at Rockefeller Plaza. SAE had many interesting speakers to listen to during their Friday seminars. All in all SAE had a very successful year.

Merry X-mas, Mr. Pidgeon.

Looks like Ellen ran into some trouble.

Looks like a tough day in SAE.

# BOCES

It was a good day at the guillotine.

I really think we should get paid for this.

I think I found the engine.

The Albany Boces Occupational Center provides 17 different programs for 16 area schools. Over 900 students are enrolled in these programs.

Most programs are 2 year programs. Students involved spend ½ of the day at the Occupational Ed. Center and the other ½ at their home school. Guilderland sends 15 students to the center during 3 different shifts. Students who meet the requirements in Practical Nursing and Cosmetology are eligible to take their State Licensing Examinations at the completion of their programs.

Sophmore

There are people who have been chosen to lead those who know not where to go,

They have been given the ability to pass on their knowledge to those who don't know, they have been filled with a kindness to show towards those who feel alone, These people have been given a name, Teacher.

Now, how do I get out of this one???

Teaching is a laugh a minute!!!

The 1978 Varsity Football Team joined the ranks of some outstanding teams of the past, when they completed a fine 6-1-2 season. In becoming the second best team in fourteen years of varsity football, they accomplished many recognitions. They were named number three in the Capital District, received Honorable Mention in New York State large school rankings, and finished second in the suburban council. The team set a nine game defensive record for Guilderland Football, giving up just 65 points and obtaining a 2.2 point average per game.

They will go down in the history of "Big Red" Football as the team with the greatest display of togetherness and team [illegible] that has represented this school in all athletics.

1978-79 Freshman Boys Basketball

The 1978-79 Freshman Boys' Basketball Team finished with a record of 3-11 but the record does not reflect the kinds of success achieved during the season. Many of the boys showed tremendous individual improvement as a result of hard work in practice. All team members left at the end of the season with a far better understanding of the game than they had before the season. The team was very competitive and never gave up although they were often behind by considerable margins. The effort of the boys was a credit to themselves as individuals and to the school they represented.

The wrestling ream continued on its winning tradition this year by finishing third in the suburban council. It was a team effort with members wrestling up in weight to help score more team points. Five wrestlers shone bright for the Dutchmen as Joe Hadersbeck, Tom Wyld, Ron Czarnetzky, Brian Whitaker and Adam Prysmont all qualifying for the section II finals.

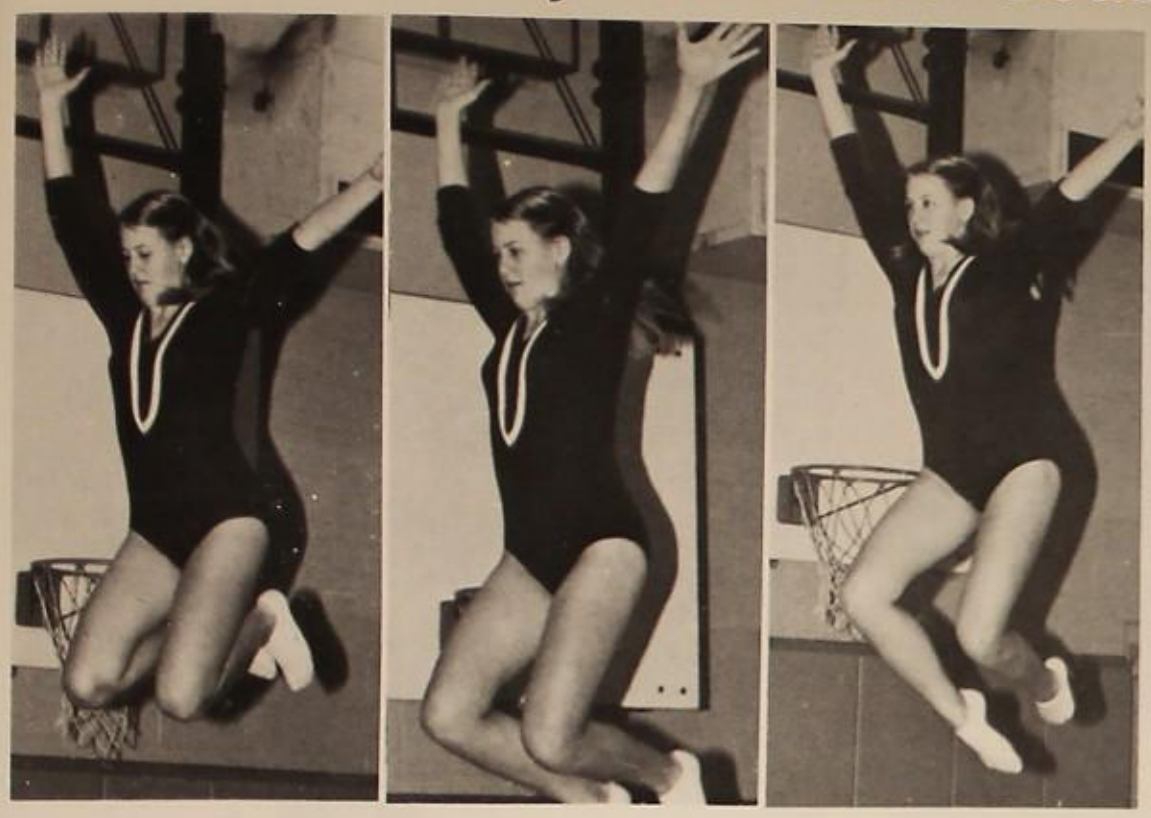
# Ski Team 1979

Senior skier Jamie Johnson does well in this race!

The ski team had another successful season this year under the direction of three coaches, Glenn Harrison, Doug Allen, and Bob Loden. The team had several strong skiers this year that did well against some very tough competition. Tim Maloney, Jamie Johnson, Mark Salmon, led the boys' team. Cheryl Harding, Kris Thomas and Sharon Karl made a strong showing for the girls' team. Mark Stevens and Kris Thomas did very well in cross country races. Tim Maloney, Cheryl Harding, Sharon Karl and Mark Stevens went to the State championships at Lake Placid in March. The team had many successful fund raising activities, and took a weekend trip to Smugglers Notch to top off a good season.

# A Very Successful Season . . .



For the fifth consecutive season the gymnastics team has captured the Suburban Council championship title. Coached by Deb Wein and Donna Brown, they have a record of 12-0 for the 1978-79 season. Members who represented the team as the Sectionals were: Mikke Dechene, Michele Johnston (co-captain), Lori Sholtes (co-captain) Paula Johnston, and Brenda Armstrong. Alternates were Margie Hogan, Kathy Perrego, and Esther VanDeCarr.

The girls are hoping for a sectional title. After losing four important seniors, this year's team has greatly improved. ## Graduation

Facing graduation

faces of old and faces of new

people we know and people we knew.

Growing together then drifting apart.

Always an ending and now a new start.

At graduation we all grow nearer

and all of our freinds seem so much dearer.

And as we say a final good-bye,

One last remembrance and one more cry,

A "keeping in touch" and a "promise I will"

A "remember when" but better still,

A place in my heart you'll always stay,

This is what's said as we go our own way.

GUILDERLAND SR. H. S.

As you finish up your first eighteen,
You sit and look at what you've seen.
The friends and teachers that you've known.
Who've helped you along as you've grown.
You've worked and thought for all these years
You've laughed and cried and had some fears.
But with the bad times came the good,
Just like your parents said they would.
So when it's time to go separate ways,
You'll remember your friends of past days.
